

Warehouse Loan Funding System

Warehouse Loan Funding System - (WLFS™) is designed for the Warehouse Lender to manage interim loan funding for Loan Brokers (correspondents) that sell loans to End Investors. The system has been designed to give the Warehouse Lender the TOTAL SOLUTION for in-house processing along with comprehensive reports for the Brokers.

FLEXIBLE LOAN TYPE AND BROKER OPTIONS

Unlimited Loan Types and Broker Loan Types determine the interest calculations, fees, aged loan criteria, warehouse limits and interest billing terms.

COMPREHENSIVE COLLATERAL TRACKING

Extensive tracking on loan documents, aged loans and end investors.

COMPLETE ACCOUNTING FUNCTIONS

Sophisticated accounting features allow for a full integrated general ledger against loan advancements and payoffs, accruals, interest and fees.

UTILIZES RESULT EMBEDDED DATA

Result Embedded Data allows for recreation of all notices and reports for any processing date. Multitude of reports are available using various selection criteria.

SECURE AUTO EMAIL AND FAX INTERFACE

Secure Email module for Emailing reports using the widely adapted Adobe Acrobat PDF format. Mass faxing capability interfaces to RightFAX.

EXCEPTIONAL PRODUCT & SERVICE SUPPORT

Proven track record of effective and highly reliable products.
